This house is fantastic! You've obviously put in lots of love in renovation The Captain's House!. Fantastic setting, love the views and the crumbling piles that surround. Big four, pomegranates, oranges, limes and err ... sprouts! It's been a special time for us - we will never forget this place ... thanks x

Matthew & Kerry - thank you so much, we've had a very special break in a very special place. Beautiful in so many ways ... I've lost count of the number of times I've said 'wow'! Forever memories.

No wonder you are proud of your country, so beautiful and diverse, from your sparse rocky inland plains, waterfalls and lakes, fertile valleys between soaring mountains, exquisite villages perched on hills overlooking a stunning coast dotted with islands. Thank you Matthew and Kerry for sharing your beautiful home with us, it is more than we could have hoped for. We are ever fitter for the twice daily climb to it. Your recommendations to Gordon's BARS restaurant was a taste of heaven. We took your advice and let him decide the menu. WHAT A TREAT!

Beautiful house and views!! Loved our time at the clean blue Adriatic, especially when we started drinking wine at noon. Wine tour with Josip Prizmic was great - including our lunch with the homegrown lamb, veggies and more wine. We also enjoyed our buggy excursion to Korcula with Sokal Adventures including snorkelling at Lombarda beach and lunch on the water served by our captain and mate.

Best day organised by Josip on the riverside cruise of the "Petro". Bomb diving and swimming in the beautiful blue Adriatic sea. House comfortable. Walk up to Mt Ilija was another highlight for the boys. Thanks.

We had a really great time! We swam in the pool and lounged in lilo's. Snorkelling in the sea was good fun. I did some flips in there and I saw some very tiny fish. We all had a great time here and ate so much that now we are the size of elephants.

Absolutely fabulous house in the most amazing position - we had a great time and will definitely come back.

We have loved our holiday here in beautiful Croatia. The Captain's House has been great, in a superb position. The views from the upper terrace is one you never tire of especially of an evening with a glass of rose in hand.

An ode to The Captain's House

Mad dogs and Englishman stay out in the midday sun
But mad dogs and Englishman know how to have some fun!
We lay on the beach & lounged by the pool
To climb the mountain in this heat you could be a fool!!!!

But to walk Ston's City walls and view the salt plains
Was just a little effort and not much of strain
Ice-cream in Orebic whilst 'cruising' the strip
Beats sitting aboard a 'slug' of a cruise ship
Car Ferry to Korzula, pizza by the sea
And a beautiful town steeped in history

Windsurfers paradise, the kilters take their chance
Ten years younger we'd have had a dalliance
Your holiday is yours, do what you will
But our advice to you is to chill, chill, chill.

Fabulous house with well thought out amenities, air con in the bedrooms a real necessity, brilliant kitchen, beach towels etc, etc. Superb views, lovely and tranquil.

I had much more of an exciting holiday than I expected. Mountain best of all because it is so close to the house and there is a lovely girl in there called Sandra and I went on a water taxi to Korcula and had dinner and I hope you will too. Lily x

We all had a lovely holiday and will definitely be back to Croatia and the Peljesac Peninsular - it is beautiful. Really appreciate the break, milk, butter and juice. Thanks.

Great Views! We especially enjoyed Konoba Barsa in Loviste for excellent fresh seafood and swimming. Korcula is a gem and well worth the trip.

We had a great time here, beautiful villa with an amazing view. For sure we will come back here again.

13/09/08

Beautifully restored villa, amazing views, healthy climb up and down the rocky path.

31/08/08

We've had lots of fun, great weather and excellent time. Don't miss the sunset at Loviste - more than worth it.

24/08/08

Beautiful villa, beautiful views. Had a great holiday. Korcula is worth a visit. Boat hire near Picollo Restaurant for a fun day exploring the islands.

The best holiday we've had abroad. Feel totally refreshed and rested. Lots to do (if you should wish) and great places to do absolutely nothing. Recommend you visit Divna Beach near Trapanj - a superb cove with a lovely beach and not the large rocks in sea. In Viganj you can hire a windsurfer in the afternoon (not the main surf school)

Tom - aged 8 - Loved windsurfing

Jude - aged too old - I did it 'sort of'

Huw - aged 14 - Loved the villa, the pool and all the stuff around it.

Emma - aged 11 - the pool was really good and the windsurfing was great.

Really enjoyed the beautiful location and fantastic house. The quality is obvious throughout and the many small touches have been appreciated. Great house, pool and views. A lovely place that has inspired us to visit the rest of Croatia.

21/06/08

My first time in Croatia and everything was beyond everything I expected. The house, the pool, the people, the weather ... Thanks for all the extra touches.

Amazing house, fantastic swimming and great food. Definitely recommend the restaurant "Forte". Week was 'wicked awesome'.

02/09/07

We loved the house, the town, the view, the water, everything! Food at "Forte" (just down the road and take a right turn at the "Diana" sign) was fabulous. Dinner at Gordon's restaurant in Loviste was tasty, but pricey! We had a wonderful vacation. Thank you.

Croatia is beautiful! Peljesac is gorgeous, peaceful. "The Captain's House" is a wonderful castle (v.v. good job in renovating it) that made our holiday. Magnificent views! You can have a delicious supper at Maslina bistro in Orebic. We hope we'll have the chance to see "the castle" again.

19/08/07

We had a wonderful time especially the wake boarding, swimming and food.
Fabulous week - we shall return.

What a great house! Loved swimming here and hope to come again. Thank you.
A magical place.

12/08/07

Superb views, wonderful location. Enjoyed walking down to the sea via the small path opposite.
Korcula via the passenger ferry at Orebic was good fun and excellent pizzas etc. Fantastic views
from the mountain (takes about 3-4 hours from the monastery to reach the top). Ston and it's walls
worth a visit. Excellent bakers opposite Konzum on main street. Just loved swimming in the sea.
